Name:

## Making Double Bar Graphs

$5^{\text {th }}$ and $6^{\text {th }}$ grade students voted on their favorite lunch items and recorded the results in the table below. Using the data table, create a double bar graph.

| Lunch Item | Student Votes |  |
| :---: | :---: | :---: |
|  | $5^{\text {th }} \mathbf{G r a d e}$ | $\mathbf{6}^{\text {th }} \mathbf{G r a d e}$ |
| Hamburger | 12 | 16 |
| Grilled Cheese | 6 | 10 |
| Tacos | 24 | 12 |
| Chocolate Milk | 14 | 22 |
| Fruit | 8 | 18 |
