

Voluntary Product Accessibility Template (VPAT version 1.2 April 2023)

Website Name: Mashup Math

Website: www.mashupmath.com

Version Number: 1.2

Date: April 6, 2023

The purpose of this document is to provide a summary of the accessibility features of Mashup Math, in accordance with the Revised Section 508 Standards for Electronic and Information Technology (ICT) developed by the U.S. Access Board.

Mashup Math is committed to providing accessible products to all users, including those with disabilities. The following VPAT outlines the level of conformance with the Web Content Accessibility Guidelines (WCAG) 2.1 and the Section 508 standards.

WCAG 2.1 conformance level: Level AA

Section 508 conformance level: Conforms to Revised Section 508 Standards for Electronic and Information Technology (ICT) (2017).

Supporting Features

Mashup Math includes the following accessibility features:

1. **Alternative Text:** All images have alternative text descriptions.
2. **Keyboard Accessibility:** All functionality is available using a keyboard.
3. **Navigation:** Clear and consistent navigation is provided throughout the website.
4. **Color Contrast:** Sufficient color contrast is provided to ensure readability and visibility.
5. **Audio and Video:** All audio and video content is captioned and transcripts are provided.

6. Content Structure: Headings and labels are used to organize content in a logical and meaningful manner.
7. Forms: All forms are labeled with appropriate field labels.
8. Text Resize: Users can resize text up to 200% without loss of content or functionality.
9. Assistive Technology Support: Mashup Math has been tested with assistive technologies such as screen readers and screen magnifiers.

Limitations

Mashup Math currently has the following limitations in terms of accessibility:

1. Third-party content: Third-party content embedded within Mashup Math may not be fully accessible.
2. Live Video: Live video content may not be fully accessible.
3. PDFs: Some PDF documents may not be fully accessible.

Input/Suggestions

If you have any input or suggestions for improving our accessibility, please contact us at mashupmath@gmail.com.

Conclusion

Mashup Math strives to provide an accessible experience for all users. While there are limitations, the product conforms to the WCAG 2.1 Level AA and the Revised Section 508 Standards for Electronic and Information Technology (ICT) (2017). We are committed to continually improving our accessibility features and welcome any feedback to help us achieve our goal of making Mashup Math accessible to everyone.
