# Practice with Scatter Plots

Part I: For each graph, state whether the correlation is positive, negative, or none.

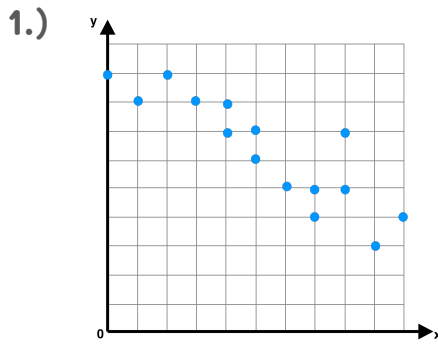

Part II: Construct a scatter plot using the given table and determine the correlation.

x	y
5	0
10	150
15	250
20	150
25	300
30	400
35	350
40	450
45	500
50	400

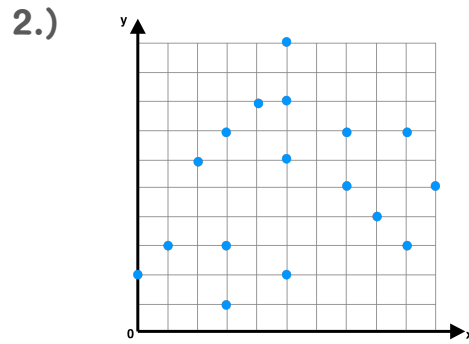

# ANSWER KEY

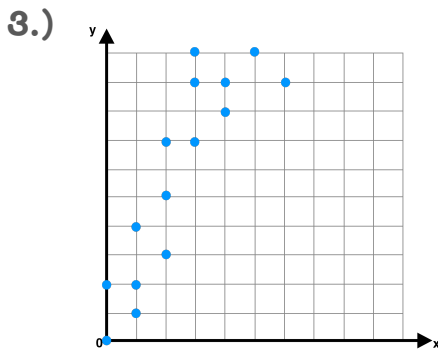

Part I: For each graph, state whether the correlation is positive, negative, or none.

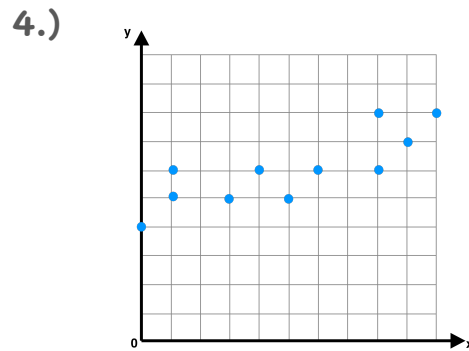

negative

none

positive

positive

Part II: Construct a scatter plot using the given table and determine the correlation.

x	y
5	0
10	150
15	250
20	150
25	300
30	400
35	350
40	450
45	500
50	400

positive
